

## The Earth is the Lord's

**Exodus 9:29-And Moses said unto him, As soon as I am gone out of the city, I will spread abroad my hands unto the Lord; and the thunder shall cease, neither shall there be any more hail; that thou mayest know how that the earth is the Lord's.** (KJV)

Responsibility for caring for the earth rests with the human inhabitants. The Scriptures serve as points of reference for the earth being the Lord's. Generations will inhabit the earth until the Lord's Glorious Second Coming. Being carefully mindful of generations to come is a responsible undertaking. Each person is expected to determine the personal care required of the earth. Having humans live and interact with peace and love is a constant challenge.

**Deuteronomy 10:14-Behold, the heaven and the heaven of heavens is the Lord's thy God, the earth also, with all that therein is.** (KJV)

Each generation does well to take time regularly to give thanks for the earth. Thanking God for the earth's resources shows gratitude for God's love. Only a loving God would provide the beautiful blessed earth we inhabit. Believers with eyes to see fully appreciate the beauty of the Lord's earth. Individuals with a sense of responsibility take time each day to thank God. Each day is an opportunity to care well for the earth for future generations.

**Psalms 24:1-The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein.** (KJV)

The abundance and beauty of the earth exceed human comprehension. Scientific and fine artistic minds reveal the great wonders of God's earth. God has provided for the complete needs of humans, animals and plants. Basic human understanding enables believers to observe earthly wonders. The heart, mind and soul are overtaken with awe of God's earthly creation. The Lord will judge each person's stewardship while living here on earth.

**1 Corinthians 10:26-For the earth is the Lord's, and the fulness thereof.** (KJV)

The fullness of creation is beyond the capability of human understanding. Science has not found a way to fully measure the depths of the human being. Marvelous is the Lord God's creation and new wonders continue to unfold. New discoveries advance the way of earthly life to be used for God's glory. All that exists within the earth has a purpose for the glory of the Lord God. Joy arises in the heart when God's earth is well cared for and appreciated.
